

MOTION BY SUPERVISOR DON KNABE

February 23, 2016

On Thursday, March 28, 2013, shortly after 9:00 p.m., Long Beach police officers responded to a shooting in the area of Hill Street and Earl Avenue. When officers arrived, they discovered the body of 19-year-old Sidney Wallace on the ground suffering from several gunshot wounds and determined deceased by Long Beach Paramedics.

Investigators learned Wallace, a resident of Los Angeles, was visiting a family member at an apartment complex in the 200 block of East Hill Street when they were standing in the rear parking lot and at least two unknown shooters shot and killed the 19 year-old Wallace and injured his 37 year-old cousin and another 49 year-old male. Although several witnesses reported hearing the shots nobody has come forward to provide a description of the suspect(s).

Investigators have canvassed the neighborhood looking for witnesses to the incident and feel they are at a point where it would be beneficial to offer a reward, which may prompt reluctant witnesses to come forward and provide information to identify the individuals responsible for this crime.

On March 4, 2014, this Board approved a \$10,000 reward offer which was re-established on June 10, 2014, extended on September 2, 2014, February 17, 2015 and September 1, 2015. That reward is due to expire again on March 1, 2016.

**I, THEREFORE, MOVE** that the Board of Supervisors extend the offer of a \$10,000 reward for information leading to the arrest and conviction of the perpetrator(s) of this heinous crime.
